PRESS RELEASE

The American Grants and Loans Catalog is now available. Our new and revised 2013 edition contains more than 2800 financial programs, subsidies, scholarships, grants and loans offered by the US federal government.

In addition you will also have access to over 2400 programs funded by private corporations and foundations. That is over 5200 programs available through various sources of financial providing organizations.

**NEW:** You will also have access to our live Database that is updated on a daily basis. This product also provides daily email alerts as programs are announced.

The Database is also available with IP recognition. This allows you to login without a username or password (Great for libraries or educational institutions who want their users to access the database).

Businesses, students, researchers, scientists, teachers, doctors, private individuals, municipalities, government departments, educational institutions, law enforcement agencies, nonprofits, foundations and associations will find a wealth of information that will help them with their new ventures or existing projects.

The document is a fully searchable PDF file for easy access to your particular needs and interests. Simply enter your keywords to search through the publication.

It is the perfect tool for libraries and educational institutions to use as a reference guide for students who require funds to pursue their education.

Contents of the Directory:

- Web link to program announcement page
- Web link to Federal agency or foundation administering the program
- Authorization upon which a program is based
- Objectives and goals of the program
- Types of financial assistance offered under a program
- Uses and restrictions placed upon a program
- Eligibility requirements
- Application and award process
- Regulations, guidelines and literature relevant to a program
- Information contacts at the headquarters, regional, and local offices
- Programs that are related based upon program objectives and uses
