Re: September 27, 2013 Public Records Request

Dear Ms. Erickson,

This letter responds to your September 27, 2013 public records request for records related to FORA's practices in June 2011. FORA's response is as follows:

1. Your Request:

"FORA's rules applicable to Board agendas, public hearings, and notice."

FORA Response:

FORA's rules applicable to Board agendas and notice are outlined in the FORA Master Resolution, Section 2.02.030, Notice and Call of Meetings. FORA's rules applicable to public hearings are outlined in the FORA Master Resolution, Definitions, Noticed Public Hearing.

2. Your Request:

"FORA's definition of "old business," "new business," and "consent agenda." In other words, the records that explain which matters are placed on the parts of the agenda that FORA calls "old business," "new business," and "consent agenda.""

FORA Response:

There are no records responsive to this request.

The above referenced record is available online at [www.fora.org](http://www.fora.org). If you have any questions regarding this correspondence, please feel free to contact me.

Sincerely,
