

FORT ORD REUSE AUTHORITY

SPECIAL MEETING

FORT ORD REUSE AUTHORITY (FORA) ADMINISTRATIVE COMMITTEE

Friday, March 6, 2020 at 12:00 p.m.

920 2nd Avenue, Suite A, Marina, CA 93933 (FORA Conference Room)

AGENDA

- 1. CALL TO ORDER/ESTABLISHMENT OF QUORUM**
- 2. PLEDGE OF ALLEGIANCE**
- 3. ACKNOWLEDGEMENTS, ANNOUNCEMENTS, AND CORRESPONDENCE**
- 4. PUBLIC COMMENT PERIOD**

Members of the public wishing to address the Committee on matters within its jurisdiction, but not on this agenda, may do so for up to 3 minutes and will not receive Committee action. Whenever possible, written correspondence should be submitted to the Committee in advance of the meeting, to provide adequate time for its consideration.

- 5. BUSINESS ITEMS** **INFORMATION/ACTION**
 - a. Building Removal Bond Proceeds Distribution

- 6. ITEMS FROM MEMBERS** **INFORMATION**

Receive communication from Committee members as it pertains to future agenda items.

- 7. ADJOURNMENT**

NEXT MEETING: Wednesday, March 11, 2020 at 8:30 a.m.

MONTEREY COUNTY RESOURCE MANAGEMENT AGENCY

Carl P. Holm, AICP, Director

LAND USE & COMMUNITY DEVELOPMENT | PUBLIC WORKS & FACILITIES | PARKS

March 5, 2020

Josh Metz, Executive Officer
Fort Ord Reuse Authority
920 2nd Avenue
Marina, CA 93933

Subject: FORA Bond Proceed Allocation and Inter-Agency Agreement

Dear Mr. Metz:

At its December 13, 2019 meeting, the FORA Board approved an allocation methodology for the bond proceeds that provided 4.5% (estimate \$1.3M - \$2.25M) proceeds to the County, and included a cost estimate of \$750,000 building removal costs for the Ammo Supply Point (E11b.8) and \$1,525,000 for 5 open space parcels (L23.3.2.2, L23.3.3.1, L23.3.3.2, L20.2.1, L20.2.2).

The County Board of Supervisors' Fort Ord Committee members conducted a site visit on October 1, 2019 to locations where County (and Successor Agency) have remaining buildings/structures that may benefit from funding derived if FORA issues a bond. Following up to that, County solicited cost estimates to demolish remaining buildings on County lands in the former Fort Ord (Enclosed). The total cost estimate for demolishing and disposing of County buildings on former Fort Ord lands is approximately \$13 million, which is far in excess of the FORA proposed maximum \$2.25M bond proceeds provided for to the County, which was used for the basis of current allocation ratios.

This new information was reviewed by the Fort Ord Committee at its February 2, 2020 Special Meeting, in which the Committee and staff identified 13 buildings that are high priority to the County for removal for a total estimated cost of about \$3.1 million (less than 25% of the estimated total cost for demolition).

Given these much higher than anticipated costs, more favorable bond climate, and in consideration that taxes generated from County lands will contribute approximately 33% toward payment of the bond debt service on the bonds while receiving only approximately 5% of the proceeds, County re-evaluated the allocation methodology (Enclosed). County's analysis provided shows our allocation using the methodology used by the FORA Board at its December 13, 2019 meeting, and proposed reallocation for consideration. The allocation calculations are based on three bond yield scenarios: \$40 million; \$42 million; and \$45 million. County proposes a formula where the bond proceed allocation is 12.5% of the total bond allocation, and not less than \$5 million, to go towards demolition and revitalization of structures within the unincorporated County area. County anticipates rehabilitating bunkers at the Ammo Supply

Point if there is funding available after demolishing our high priority items, but has not yet determined whether the remaining buildings/structures are to be demolished or renovated. For calculation purposes, the County achieved this increase in its allocation by including a corresponding decrease of 4% each to the Cities of Seaside and Marina, based on percentages of work to funding.

Additionally, County requests that an agreement be developed between the entities proposed to receive bond proceeds (County of Monterey, City of Marina, City of Seaside, TAMC, MCWD, and MST) that addresses post-FORA administration of the bond, collaboration to responsibly utilize the bond proceeds, and legal concerns minimize risk associated with the bond issuance and building removal implementation.

The County hopes that FORA and its relevant member jurisdictions agree to address these issues in a timely manner. I request that you include this correspondence with the agenda packet for the FORA Administrative Committee's meeting scheduled for Friday March 6, 2020 at 12:00 pm. Don't hesitate to contact me or Melanie Beretti (berettim@co.monterey.ca.us; 831-755-5285) if you have any questions.

Sincerely,

Carl P. Holm, AICP
RMA Director

* Misc. Includes: Estimates for Environmental Testing & Oversight, Ammunition Plans & Oversight, Permitting, & Biologist & Archeologist Oversight.
Construction Cost Include: Demolition, Capping Utilities and Abatement

Project Cost Estimate Methodology:

Construction quotes were done by Jacob Construction (JOC contractor). Demolition and abatement are worse case, since haz mat reports are not currently available. Quotes are available upon request.
Environmental quotes (testing, oversight & clearance) were done by M3, a local vendor. Available upon request.
Project & Construction Management are based on industry standard - 20% of construction cost
Misc. costs are based on discussions with County Building and FORA staff
35% construction contingency was added to cover unforeseen expenditures.
