2. PLEDGE OF ALLEGIANCE  
Chair Potter led the Pledge of Allegiance.

3. ACKNOWLEDGEMENTS ANNOUNCEMENTS, AND CORRESPONDENCE  
Executive Officer Michael Houlemard discussed letters FORA had recently received from the Department of Toxic Substances Control and the Environmental Protection Agency regarding trespassing on FORA property. Gail Youngblood emphasized the importance of observing all land use restrictions on Fort Ord for the duration of the clean-up efforts.

4. PUBLIC COMMENT  
Ralph Rubio asked that FORA perform an economic analysis of jobs creation and eco tourism in the region.

5. OLD BUSINESS  
   a. Master Resolution/Settlement Agreement – Appeal Fee Proposed Amendment to FORA Master Resolution (Section 8.01.050(a))  
   Mr. Houlemard explained that staff had received input from the Sierra Club, as well as a number of other entities, and presented alternatives for Board consideration.

   Jane Haines, Sierra Club, explained the Sierra Club’s position that the current appeal fee was too high and prevented members of the public from having a reasonable opportunity to redress
grievances. She addressed opposition to the proposal and noted that the Sierra Club would not agree to support a tiered appeal fee approach.

Chair Potter spoke in support of the proposal, noting that Board members could also sponsor an appeal for a member of the public at no charge.

Mayor Pro-Tem O’Connell stated he would oppose the motion. Councilmember Brown agreed and stated that rather than requiring members of the public to pay the fee and seek reimbursement, FORA should grant fee waivers. Supervisor Parker agreed with Councilmember Brown’s concerns. Councilmember Oglesby stated that the current proposal, which included a reduced appeal fee accompanied by a promise of reimbursement, was reasonable.

MOTION: Councilmember Brown moved, seconded by Mayor Pro-Tem O’Connell, and the motion passed unanimously to amend section 8.01.050 (a) of the FORA Master Resolution to adjust FORA’s Consistency determination appeal fee basis from the County of Monterey’s land use appeal fee to an average of FORA’s jurisdictions’ land use appeal fees less the highest and lowest fee, as described in attachment A, with the addition of the following language: “the appeal fee shall be waived for an appellant who signs a declaration under penalty of perjury that she/he qualifies as very low income under low income standards.”

b. Records Retention Policy
Principal Analyst Robert Norris explained that staff had reviewed numerous records retention policies from local, regional, and state agencies in preparation for the item. He discussed staff’s request for additional funds to compensate for an unanticipated volume of public records requests.

The Board discussed the need establish a policy as soon as possible and acknowledged that future modifications would likely be necessary.

MOTION: Supervisor Parker moved, seconded by Councilmember Oglesby, and the motion passed unanimously to adopt the proposed Records Retention policy, as presented, and to authorize FORA staff to expend up to $15,000 for additional resources to respond to an unanticipated volume of public records requests and to bring records into retention policy compliance.

Staff responded to several Board member questions regarding the policy. Councilmember Oglesby stated it was a strong policy and suggested that the retention schedule indicate which records were except from public disclosure.
