Fort Ord Reuse Plan

Requires land use agencies to adopt regulations that “ensure that development entitlements will not be approved until there is verification of an assured long-term water supply for such development”

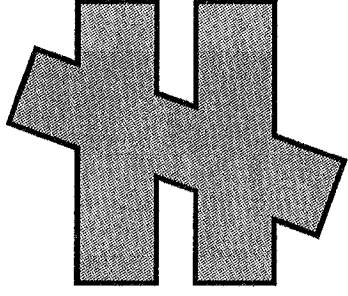

(Master Resolution §8.02.202(j)(7); Fort Ord Reuse Plan: 3.11.5.4, “Management of Water Supply”; Hydrology and Water Quality Policy B-2.)

Monterey County General Plan

**Presumes that a long term
sustainable water supply exists
for all County land at Fort Ord.**

(County General Plan policy PS-3.1)

Verification

Presumption

A requirement for verification is not consistent with a presumption.
