Comments
The budgets in place resident rents reflect the average in place rent versus the market rent. In order to show the growth in income realized from new move-ins which are subject to market rent at the time of move-in, a gain to lease has been utilized. The average in place rent is \$275 less than the current market rent. The amount will reduce to \$228 if a rent increase is approved to begin in August 2014.

#### Comments

Average charge per move out consists of \$245 for cleaning, \$170 for carpet cleans and \$500 for paint. Move-outs charges are averaged between contract and in-house charges. We replace one carpet per three move-outs, this is not generally charged back to the resident due to the age of the carpet.

Cost incurred for: mulch, flowers, plant replenishment. Higher YOY costs due to purchase of higher quality plants for monument signs. The community needs additional work not covered by the monthly maintenance scope of work such as main drive tree trimming, bush planting, etc.

Cost of water usage for vacant units, parks, pathways and common use areas by residents. Slight increase to account for any increase in fees, and take into account reduction of water usage due to water saving irrigation.
