INVITATION

WHAT: Community Information Session

WHEN: Thursday, September 20, 2012

TIME: 6:00 – 7:30 p.m.

WHERE: Carpenters Union Hall
910 2nd Avenue, Marina, CA

Parker Flats Remedial Activities and Resulting Community Impacts:

- **Introductions and Background**
- **Parker Flats Field Work Update**
- **Required Vegetation and Tree Removal**
- **Access Corridor Closures**
- **Questions**

The community will hear about upcoming munitions remedial activities scheduled for Parker Flats. This next phase of remedial activity is designed to confirm previous munitions removal actions, and comply with regulator requests to address remaining uncertainties. Past presentations on this topic can be viewed at: www.fora-esca-rp.com/InformalCommunityWorkshops.html under September 2011 and March 2012 and www.fora-esca-rp.com/army-presentations.html under January and April 2012

FORA and the ESCA Remediation Program Team will be present to answer questions, provide project details, and guide people through this stage of the remediation process.

Light refreshments will be provided. For questions feel free to call (831) 883-3506 or email esca@fora.org.
