

ESCA Bulletin

Parker Flats Field Work Update

The map below indicates the three locations . including acreage . where the Parker Flats field work is now occurring. The area in brown is referred to as the %Buff of Smoke.+The area in green is the %Pipe Bowl.+ The %Stem+is in red.

Details and photographs of this work were sent out in two separate ESCA Bulletins yesterday, 11 October 2012. These Bulletins are available online at: www.fora-esca-rp.com/daily-bulletins.html.

For more information on work underway in Parker Flats, please view the presentation given at the 20 September 2012 Community Information Session. That information can be accessed at: www.fora-esca-rp.com/CommunityInformationSessions.html

Complete information on the ESCA Remediation Program is available at: www.fora-esca-rp.com or by calling the FORA ESCA Hotline at 831-883-3506.

*Previous ESCA Bulletins can be viewed at: www.fora-esca-rp.com/daily-bulletins.html
