RE: **S201-ITB1 and ITB2 Surplus II**

Please be advised that FORA has decided to reject all bids for the S201-ITB1 and ITB2 Surplus II, Hazardous Material & Building Removal. FORA does anticipate a separate pre-qualification process and subsequent bid invitation for its future hazardous material and building removal projects.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Peter Said', is written over a large, faint, circular background graphic that resembles a globe or a map of the Fort Ord area.

Peter Said
Project Manager
