RE: Extend the 2007 Memorandum of Agreement by and between
the Fort Ord Reuse Authority (FORA) and City of Seaside (Seaside)

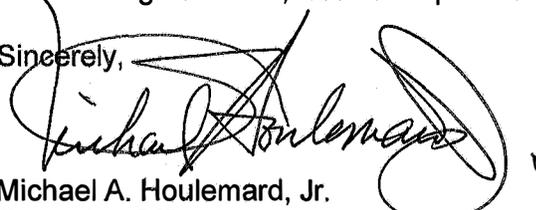

Dear Mayor Rubio:

In 2007, the Fort Ord Reuse Authority and Seaside entered into the attached Memorandum of Agreement (MOA) by and between the Fort Ord Reuse Authority (FORA) and Seaside regarding terms of property ownership and responsibilities during the time that FORA performed environmental services to remove munitions and explosives of concern.

The MOA defined and established the terms for holding and managing (ownership and responsibilities) property in Seaside during remedial work performed under an Environmental Services Cooperative Agreement (ESCA) with the U.S. Army. FORA and County continue to operate as though this agreement remains in effect despite its expiration in 2014.

We request an MOA end date amendment to June 30, 2020 or upon expiration of FORA, whichever is later. Alternatively, we seek your execution below acknowledging effect of the MOA through June 30, 2020 or expiration of FORA, whichever is later.

Sincerely,

Michael A. Houlemard, Jr.
Executive Officer

Seaside acknowledges the extension of the 2007 MOA by and between FORA and the Seaside property ownership and responsibilities during the period of environmental services to remove munitions and explosives of concern through 6/30/2020 or upon the expiration of FORA, whichever is later.

Ralph Rubio, Mayor – City of Seaside
